

SOUTHERN AFRICA BIBLE COLLEGE NPC

Training for service in Churches of Christ Registration Number 2002/010094/08

Hi,

Thank you for your interest in the study of the Scriptures at this College. Since there are many churches in the world which do not agree on all doctrinal matters, we would like to take this opportunity and give you some basic details of what kind of teaching you may expect here at the Southern Africa Bible College.

Since the Southern Africa Bible College is a Bible based teaching institution, we do not teach any doctrines taught in various denominational schools since such practices are often unbiblical. Modern day speaking in tongues and modern faith healing are not Bible doctrines. Jesus will not return to earth to reign for 1000 years before the Judgment. We furthermore teach that the use of instruments in the song worship of the church is unbiblical, which means we do not allow handclapping. We do not teach that women may preach or lead a prayer or teach in male/female mixed audiences, because that is not taught by the Bible. They may do so in female-only audiences. Furthermore, the Bible teaches that salvation is the result of adult water immersion and that is what we teach at this College. The Lord's Supper is a memorial of the Lord's death, burial, and resurrection, it is not a sacrifice, and we partake of it every Sunday, which is the first day of the week. We give freely of our means without constraint in order to further the work of the Church.

If you wish to discuss any of the above matters or any other matters, please feel free to ask for a class – we are always available to show you the biblical teachings.

Please note that we only grant study bursaries to members of the Church of Christ – therefore you will have to pay not only for the basic fees but also for your studies and board and lodging, all in advance. (Please see attached the letter which explains the fees and, also the application forms and prospectus).
